

Kitchen Gardening racks distributed among 50 citizens

RAWALPINDI, November 24, 2020: The Rawalpindi Development Authority (RDA) distributed kitchen gardening steel framed racks among 50 female citizens to promote cultivation of vegetables at home in Rawalpindi.

RDA with the assistance of an NGO Behbud is continuing the kitchen gardening project in Rawalpindi. In this regard, distribution ceremony of kitchen gardening racks held at Behbud NGO's Headquarters Tipu Road Rawalpindi. Chairman RDA Tariq Mehmood Murtaza was the chief guest on the occasion. NGO Chairperson, Deputy Director Finance Muhammad Junaid Taj Bhatti and NGO members participated.

On this occasion, Chairman RDA thanked the Chairperson of Behbud NGO for his support and cooperation in continuing this project. He said that the main agenda of the Pakistan Tehreek-e-Insaf (PTI) government is to improve the lives and social status of the people. Adding that the purpose of these small and big projects in the social sector in Pakistan is to provide employment to the people. They should have access to quality and organically rich vegetables grown naturally, which will improve their health, their costs will also be reduced, he said. Adding that the RDA will continue to try to help and provide facilities to the poor people in Rawalpindi.

The chairperson of the Behbud NGO thanked the Chairman RDA, he said RDA has already provided kitchen gardening racks among 50 citizens. He added that Behbud NGO will provide 50 more kitchen gardening racks to distribute among citizens.
